

Unsettled, probably local thunder
showers tonight and tomorrow.

Volume XXVIII—No. 173.

MAYSVILLE, KENTUCKY, FRIDAY, JULY 23, 1920.

ONE COPY—TWO CENTS.

REPUBLICANS SHOULD REGISTER SATURDAY TO VOTE IN PRIMARY

Special Registration To Be Held at
County Clerk's Office Saturday—
Register In Order to Vote
For W. S. Yazell.

A special registration will be held at the County Clerk's office Saturday for those who have become of age since the last election, who have moved from one precinct to another during the period or who were absent or out of the city at the last regular registration.

Residents of the city of Maysville cannot vote in the August primary unless they are registered and as there is no fight in the Democratic ranks at the August primary, this special registration will not affect the members of that party. There are, however, several candidates for the Republican nomination for Congressman and in order that all of the Republicans of Maysville may vote for our fellow townsman, Dr. W. S. Yazell, in this race, they should see to it that they have their registration certificate or register Saturday with County Clerk Owens at the court house.

Dr. Yazell has a splendid chance to win this nomination if the Republicans of his home section stand with him in the primary to be held on Saturday, August 7th. Every Republican in Mason county should go to the polls in the primary and cast his vote for the Mason county man. Republicans must not remain at home on primary election day but every one should go to the polls and cast his vote. If Mason county and our neighbor counties do their part the balance of the district will do its part and if Dr. Yazell is the Republican nominee for Congressman in this district, he will defeat Congressman Fields in November. There are hundreds of Democrats in Mason and the adjoining counties who want to vote for Dr. Yazell and it's up to the Republicans to give them that opportunity.

Every Republican in the county must vote in the primary and those in Maysville who are entitled to register Saturday should be certain to do it and do it early in the day.

MAGISTRATE'S COURT ON MONDAY MORNING.

Next Monday is Squire Fred Dresel's regular monthly court day. He has a large docket for this term and expects a very busy session of court.

OFFICIALS ANNOUNCE READY FOR RUGGLES

Saw Mill Is Moved Off Camp Grounds
and Officers Are Ready for
Annual Camping.

Ruggles Camping begins next Thursday, July 29th. The arrangements are complete. Everything is in readiness for what should be the best of all campmeetings. The saw mill that has been sawing timber on the grounds finished the job this week, sawing near 25,000 feet of fine lumber. They will move off the grounds Monday. "Billy" Sons and wife went out yesterday to put all rooms, lights, etc., in perfect order. They can be depended upon to have everything spick and span for the opening service Thursday morning.

In answer to many inquiries about the admission of children the management wishes to state that no charge is made for children under eight years of age at any time. Parents of all children are invited to send them or bring them to the campmeeting. They will receive the very best of care and instruction under Miss Hurd. The president, Mr. John R. Brodt will leave for the camp Monday to meet the campers as they move in and see that all find their right cottages. Much repairing has been going on under the direction of Mr. G. N. Harding. Visitors at the camp will find it a lovely place to stay. Read the regular campmeeting advertisement for further information.

FARMERS' MEETING AT MAYSICK THIS EVENING.

A mass meeting of the Farmers of the Maysick neighborhood will be held this evening at the Maysick High School building. Experts from the State Experiment Station will address the meeting in the interest of the Mason County Farm Bureau. The last of this series of meetings will be held at Rectorville on Saturday evening. Many have been attending the meetings and it is expected that the membership of the Mason County Farm Bureau will be considerably increased because of the meetings.

SEVERAL TRUCKS WILL OPERATE TO RUGGLES.

It is understood that the transportation problem between this city and Ruggles camp grounds this year will be easily solved as there are some four or five trucks which will make regular trips and some of them are planning to make two trips daily. Regular trips will be started the first of the week.

FARM BUREAU MAKES INVESTIGATION INTO WEIGHT DIFFERENCE

One of Farmers' Organizations' Values
To Farmers of the State Is Ex-
plained In Interview.

The story of how three calves lost twenty pounds in weight in twenty-five minutes while crossing from Kentucky to Indiana and how when re-weighed about one half minute later the three calves put on again the twenty pounds they had lost is told by Mr. G. P. Heath, President of the Trimble County Farm Bureau, Trimble county, Kentucky.

A general complaint has been going throughout the country on the weights the farmers received on their livestock at the hands of the Pearl Packing Company, better known as "Yorker's Place." The matter was reported to the State Farm Bureau Federation, Lexington, Ky., and that organization will bring about the investigation reported by Mr. Heath in the following statement:

"On May 19th, I received a letter from Geoffrey Morgan, Lexington, Ky., Secretary of the State Farm Bureau, with a copy of another letter enclosed from Mr. H. C. Reid of the Indiana Federation of Farmers' Associations, of Indianapolis, Ind., asking him to meet the Scale Inspector at Madison on Monday night, May 24th. On account of previous engagements Mr. Morgan could not meet him and asked me to represent him, also to make arrangements for some stock to be weighed, which together with Secretary J. L. Luckett, I did.

"After meeting the Inspector, Mr. White, of Shelbyville, Ind., he suggested that he come to the Kentucky side Tuesday morning and test a scale on which to weight three calves being hauled by the Bedford Truck consigned by M. E. Sanders, M. T. Fisher and Theodore Persell to the Pearl Packing Co. Mr. White came to the Kentucky side and tested the scale of J. P. Strother, weighed the 3 above mentioned calves, loaded same back in the truck, and followed them to the Pearl Packing Company's scale, where they were weighed twenty-five minutes later by Gus Yonker in person. Immediately after the calves had been weighed and the tickets for same issued, Mr. White, the Indiana Scale, Weight and Measure Inspector who was waiting just on the outside, walked in and called for the tickets and when examined found them to be twenty pounds short.

"Mr. White demanded that the calves be re-weighed, without testing or changing the scale in any way. The calves were driven back on the scale and re-weighed by Mr. White, weighing exactly what they did twenty-five minutes previous on J. P. Strother's scales at Milton, Ky. Mr. Yonker's only defense was that all live stock dealers bought by up weight and ordered Mr. White to change the tickets to correspond with his weights.

The result of this one short weight of twenty pounds meant in dollars and cents a loss of \$2 to the farmer. Those who are familiar with the volume of business done by this company can readily see from this shortage what the losses might mean to the farmer during a period of twelve months.

"The Farm Bureaus throughout the country are conducting these investigations and intend to continue. All the farmer ask is a square deal from the Pearl Packing Company, or any other company."

REMARKABLE RECORD.

Sandy Owens, aged 60 years, a well-known Bourbon county negro, the past week married his seventh wife. Owen is the father of twenty-seven children, twenty-one of them living. It is said that Owens' father had thirty-three children, and that a sister of Owens is the mother of twenty-one children.

IMPORTANT TO SUNDAY SCHOOLS.
At the county convention it was requested that the attendance of all adult classes, men or women, or mixed be published. The Attendance Secretary is willing to take on this extra work if the schools will do their part—report. Keep this in mind until it is done.

WIND STORM THURSDAY DOES DAMAGE IN EASTERN SECTION

Territory between Lewisburg and Mt. Gilead Visited By Terrific Wind
Storm Thursday Afternoon.

The storm which passed over Maysville about 4 o'clock Thursday afternoon did considerable damage in the Eastern section of the county, according to information reaching the office of the Mason County Mutual Insurance company here this morning.

The home of Mrs. Emma Doyle was struck by lightning. The telephone was torn from the wall and an umbrella sitting nearby caught fire. The blaze was soon extinguished, however, and the most serious damage was the tearing of considerable weatherboarding from the house.

The roof of Mr. Thomas Wood's residence was partly torn off by the high wind while the roof of his large barn was practically ruined. The roof on a large barn owned by Mr. W. S. Calvert, in this neighborhood, was also torn off. All of this property was insured against wind damage in the Mason county company and so far as the officials of that company are able to learn, this immediate neighborhood located between Mt. Gilead and Lewisburg was the only section visited by the storm.

LOCAL CHURCH REPORTS BEST YEAR IN ITS HISTORY.

At the business meeting of the First Baptist church held Thursday evening the annual letter to the district Association was read and adopted. This report is by far the best report the Maysville Baptist church has ever sent to the district association in its long history. More than two thousand dollars was contributed by the members of this church to the various causes this year than ever before.

DR. POWERS HONORED.

Dr. J. Pike Powers, of Knoxville, Tenn., formerly pastor of the Baptist churches throughout this section and well known in Maysville, has been highly honored by the Arkadelphia University which bestowed upon him recently the degree of Doctor of Laws (LL.D.). The degree of Doctor of Divinity was conferred upon him ten years ago.

BARGAINS IN ALUMINUM.

We call the attention of our readers to the advertisement of Young's store appearing elsewhere in this issue. Mr. L. H. Young, the proprietor of this popular store, announces a great bargain in aluminum cooking utensils for a limited period. The local housewives will find his advertisement on the second page of this issue quite interesting.

BROOKSVILLE MAY HAVE

NEW THEATER.
The Limestone Lumber Company, of this city, has drawn plans for a beautiful new theater building which a company of Brooksville men are planning to erect in the capital of Bracken county. The plans are for an ideal building in every respect and it is more than likely that it will be erected in the very near future.

WOMAN'S BODY

IS FOUND IN TRUNK.

New York, July 23.—The body of a woman, jammed in a trunk, was found today by employees of the American Railway Express company among the unclaimed baggage in the company's East Forty-fourth street warehouse. The trunk was received here from Detroit June 17.

Believing that the trunk contained perishable merchandise, one of the expressmen, opened it and found the woman's body. The body was then jammed into the trunk and the clothes apparently had been thrown in afterward.

There were no marks of violence upon the body.

REMARKABLE RECORD.

Sandy Owens, aged 60 years, a well-known Bourbon county negro, the past week married his seventh wife. Owen is the father of twenty-seven children, twenty-one of them living. It is said that Owens' father had thirty-three children, and that a sister of Owens is the mother of twenty-one children.

IMPORTANT TO SUNDAY SCHOOLS.

At the county convention it was requested that the attendance of all adult classes, men or women, or mixed be published. The Attendance Secretary is willing to take on this extra work if the schools will do their part—report. Keep this in mind until it is done.

Sandy Owens, aged 60 years, a well-known Bourbon county negro, the past week married his seventh wife. Owen is the father of twenty-seven children, twenty-one of them living. It is said that Owens' father had thirty-three children, and that a sister of Owens is the mother of twenty-one children.

COMMISSION ASKED TO REQUIRE C. & O. TO RESTORE TRAINS

Petitions Containing More than One Thousand Names Filed With State Railroad Commission Asking
For Local Trains.

Petitions containing more than one thousand names of citizens in Campbell, Bracken, Pendleton and Mason counties were filed with the State Railroad Commission at Frankfort Thursday asking that the C. & O. railroad company be required to reinstate local passenger trains No. 16 and 17 between Maysville and Cincinnati daily.

It will be remembered that these trains were discontinued between this city and Cincinnati during the war. At present the trains run between this city and Huntington but upon arrival here in the morning the train remains in the local yards returning on its eastward trip at 2 o'clock in the afternoon.

Persons residing between Maysville and Cincinnati contend that they have been greatly handicapped by the removal of these trains in that they have no train between Maysville and Cincinnati from the Maysville accommodation in the early morning until late in the afternoon.

CURTAIN TAKES FIRE FROM GAS STOVE.

The city fire department was called to the McLaughlin boarding house in Front street near Market at about 10:30 o'clock this morning. A curtain had been blown against a gas stove and the gas blaze ignited it. The blaze ran up the side of the room and excited the occupants. Practically no damage was done.

LOST RING

Light blue stone, Tiffany setting, between Traxel's Confectionery and Sutton street. Reward if returned to Miss Alma Arn. 23Jul13

Mrs. H. Clyde Levi and daughter, Irma, of Cincinnati, O., have returned home after a pleasant visit with her brothers, Messrs. Percy and Charles Austin, of East Second street.

FREE LECTURE AT THIRD STREET CHURCH SUNDAY

Second In Series of Centenary Lectures
Will Be Given at Methodist
Church Sunday Evening.

Another of the Centenary series of illustrated lectures will be given at the Third Street M. E. church Sunday evening. The attendance and interest manifested in the one given last Sunday gives assurance of an increased attendance for the next lecture. The difficulty of last Sunday was the approaching storm making the congregation so uneasy that the pictures had to be run through hurriedly. It is to be hoped that the weather will be more favorable the coming Sunday.

The Centenary office will send one of the following three, all of which are on American industrial problems and should prove of deep interest to all: "The Passing of the Melting Pot," "The Six O'Clock Whistle Around the World," or "New York, America's Greatest Missionary Field." By Saturday it may be possible to announce definitely which will be given. But all are good and strike at some of the vital problems now facing the American people.

Each lecture has over seventy-five pictures which take one right to the scenes depicted in the lecture.

THE BIGGEST BASEBALL GAME OF THE SEASON.

The Ripley amateur baseball team, who claim to be the champions of Southern Ohio, will cross bats with the Maysville team a League Park Sunday, July 25, at 2:30 p. m. The American Legion have donated their carnival band to furnish music for the occasion. There will be seats for all. The Ripley team has three Maysville boys playing with them, so come out and root against the three who have not enough sporting blood in them to play with their home team.

A SPECIAL REGISTRATION.

Special registration will be held at the County Clerk's office Saturday, July 24th. This is for the purpose of registering those moving from one ward to another, or who were sick or absent from the city at regular registration or who have become of age since that time.

J. J. OWNENS, County Clerk.

LOOKS AFTER MAGISTRATE'S LARGE BUSINESS.

Mr. Harry L. Walsh has been appointed Clerk of Squire Fred W. Bauer's court and in the absence of that official from the county, Mr. Walsh is looking after his large business.

The election of James M. Cox would give the United States its sixth President bearing the Christian names of "James."

LABOR DAY PLANS UNDER WAY AND BIG TIME IS ASSURED

Commerce Chamber Secretary and
City Officials to Lend Co-Operation
to Local Unions in Making
Labor Day Grand Holiday.

Plans for the proper celebration of Labor Day in Maysville this year began to take form this morning when Secretary George Kirk, of the Maysville Chamber of Commerce, held conferences with Mayor Thomas M. Russell and officials of the various local labor unions assuring them that they can rely upon the Chamber of Commerce to work out the details for a big Labor Day celebration along lines they will suggest and approve.

Labor Day is looked upon as the working man's one big holiday. For many years the day was not celebrated in Maysville but with the growth of labor organizations here its celebration has become popular and for the past three years the day has been one of our biggest holidays. This year it is the purpose of those taking the lead in the movement to make it a real big day that will attract hundreds from over this section to the city.

Many forms of entertainment have been suggested but all will be submitted to the labor organizations, who will be expected to endorse and manage the day with the Chamber of Commerce attending to the details and the city government lending its hearty support. A big parade of union men will be one big event with concerts by the Boys' Band at Beechwood and talks or subjects of interest to the laboring men. It has also been suggested that there might be a revival of the local interest in boat races and that a big motor boat race might be run in the Ohio in front of Maysville during the morning.

It is the purpose of those behind the movement to advertise the program all over the district just as soon as definitely worked out and this will no doubt attract

TODAY'S EVENTS.

Cardinal Gibbons, the eminent Baltimore prelate, today will celebrate his eighty-sixth birthday anniversary.

Today has been fixed as the date for the meeting of the financial conference in Brussels under the auspices of the Council of the League of Nations.

The adoption of a platform and the nomination of a candidate for President are scheduled for today at the Prohibition national convention in Lincoln, Neb.

Frank H. Doheny, prominent Detroit attorney and bank director, held on a charge of murder in connection with the slaying of August Dwyer, an auditor for the United Mine Workers, is scheduled to be arraigned in court today for a preliminary examination.

"IN THE DAY'S NEWS."

The venerable Cardinal Gibbons of Baltimore, who reaches his eighty-sixth milestone today, has long been recognized as one of the foremost Americans.

New citizens of the United States have exerted such a strong influence abroad as he. To mention his name anywhere in America or in Europe evokes tributes which come equally from Protestants and Catholics.

Few will question the assertion that he occupies a position seldom before reached by any American churchman.

The Cardinal is a native of Baltimore and received his education chiefly in the Catholic institutions of that city. Recently he entered upon his 60th year in the priesthood and his 35th

PASSENGER RATES

WILL BE INCREASED.

Washington, July 22. — Travel on railway passenger trains will cost from one-half to one cent a mile more if the Interstate Commerce commission adopts the suggestion of the Association of Railway Executives for meeting the \$600,000,000 addition to operating expenses by reason of increased wages.

TODAY'S BIRTHDAYS.

James Cardinal Gibbons, primate of the Roman Catholic church in the United States, born in Baltimore, 86 years ago today.

Margaret Illington, a celebrated actress of the American stage, born at Bloomington, Ill., 39 years ago today.

Montague Glass, well known American playwright, born in Manchester, England, 43 years ago today.

Dr. Albert Shaw, noted New York editor and publicist, born in Butler county, Ohio, 63 years ago today.

Maj. Gen. Frederick Hugh Sykes, who served in the war as chief of the British Air Staff, born 44 years ago today.

LEAVE AUTO AND LIQUOR AND ESCAPE

Automobile and "White Mule" Left With Danville Officers By Two Strangers.

Danville, Ky., July 23.—Sheriff M. J. Farris and Chief George T. Thurmond have in their possession an automobile and three gallons of moonshine liquor. They observed the car going west on Main street. There was nothing out of the ordinary noticeable except there were no license tags. The driver was halted and asked about the tags. He picked them up from the inside of the car and stated that he had just failed to put the mon. He was being warned to attach his tags before proceeding further when the officers took a look into the rear of the machine to find three gallon jugs. Further investigation was made and all three jugs were found to be full of pure white liquor. The two men in the machine were arrested, the moonshine put in the vault at the court house and the car locked up in a garage.

The men said their memories failed them absolutely. The officers told them to remain in the sheriff's office and probably the name of the person who had furnished the moonshine would come to them, in about five minutes the officers returned and the two men were beating it down the street at break-neck speed.

Neither Sheriff Farris or Chief Thurmond had any idea that the men would try to make their get away, leaving the machine. The two men were chased some distance but finally evaded the officers. The two men told the officers that they lived in the extreme west end of Boyle county. It is thought a moonshine still is in operation somewhere nearby. The license numbers have been forwarded to Frankfort to the Commissioner of Motor Vehicles in order to establish the ownership of the car.

STATE AGRICULTURAL AGENT IN COUNTY.

Mr. C. A. Mahan, of Lexington, State Agricultural Agent, successor to Mr. Geoffrey Morgan, arrived in Maysville today. He will speak at Mayslick this evening and at Rectorville Saturday evening.

LANGLEY ASSURES SEN. HARDING KEN-TUCKY'S SUPPORT

Kentucky Congressman Tells Republican Candidate That Kentucky Will Stand By Him.

Marion, O., July 22.—John W. Langley, member of Congress from the Tenth Kentucky district, called on Senator Harding Tuesday afternoon and gave him assurance that Kentucky will roll up a Republican plurality in November both for President and United States Senator.

"Kentucky wants a change in the national administration at Washington and will do her full part in giving the country a Republican President," said Congressman Langley to newspaper men following his visit with Mr. Harding.

"It was a disappointment to many Kentucky Democrats for Cox to go to the White House and come away with the statement that he is in full accord with the Wilsonian Democracy. I suppose Cox must go along with Wilson, as the Wilson cabinet members have been required to do to get along with their chief. Neither Kentucky Republicans nor Democrats will swallow Article X., although that seems to be what Cox is now willing to do since his White House conference.

"Kentuckians like Harding because he is a plain man and intensely human and sympathetic. They don't want any more one-man or super-man government. They know that Harding's election means teamwork in national government, that it will assure cooperation between the executive and legislative branches of government. Put it down that Harding will carry Kentucky and also that Beckham's days in the Senate are numbered."

Congressman Langley motored here with friends from Huntington, W. Va. He went to Columbus at night, but will return Thursday for the notification ceremonies. He reports that Governor Morrow and A. T. Hert are arriving at Columbus today after a vacation at Mackinac Island, and that they will be in Marion Thursday

WANTED

Copies of the Ledger, afternoon edition of April 21 and 30.

ITCH!

Money back without question if HUNTS' Balsam fails in the treatment of ITCH, SCALP, RINGWORM, TETTER or other itching skin diseases. Try a 75 cent box at our risk.

At M. A. Swift, Drug Store.

BIG \$100 RING
